

LDAS Easy Read – Connected Scotland Strategy

**Some people are
sad and alone
with no friends**

**The Government
made a plan to
help**

**It will help
communities**

To have more activities

To make better ways to get around

To have places to make friends

**To make more
activities locally**

**To help people be
more healthy**

**To help people be
happy**

**People have to say
what they need**

**People have to
know what's on**

**Speak up for this
to your support,
advocacy or LDAS**
